A WITNESS WORKSHOP
 On

‘*Perspectives of Patients’ and Practioners’ On Mental Healing Practices in Aurangabad*’

Dates: 20th and 21st December, 2014

Venue: Khuldabad Guest House, Khuldabad-Padegaon, Aurangabad

The workshop will engage researchers working on history of medicine, psychiatric and mental healing practices. They will be witness and discussants in the engaging discourses’ on mental healing measures practiced by Sufi saints, ayurvedacharyas, vaidyas, hakims, general practioners viz. RMP, (Registered medical practitioners) homeopathy, ayurveda doctors and MBBS-Psychiatric experts will be invited along with patients (cured) and those taking curative measures under Sufi saints. The objective of such kind of workshops is to engage discourses on social systems in rural south Asia. Through the workshop insights will be gathered on people and their practices which influence an integral part of their life concerning health and wellness.

The workshop will be held under banner of Rural South Asia and Aurangabad History Society with support from Wellcome Trust and Sudarshan Foundation Trust-Aurangabad Chapter.

Dr. Bina Sengar
Workshop Convener

Coordinator: Rural South Asian History Network (RSAHN)

Secretary: Aurangabad History Society
